The Receiver is not required to obtain Court approval prior to the disbursement of receivership funds for payments to personnel employed by the Receiver or for expenses that the Receiver deems advantageous to the orderly administration and operation of the receivership. In addition, the Receiver is authorized to reimburse the SBA for travel expenses incurred by SBA personnel in the establishment and administration of the receivership. The Receiver may, without

further order of this Court, transfer, compromise, or otherwise dispose of any asset (including without limitation any claim), other than real estate.
